**Subject: Offering a distinctive Software Service for Educational Institutes**

Dear Recipient:

This letter is written to invite you to a huge network of Educational Institutes; a step towards the modern communicative world. ALBAB CREATORS offers you to explore CypherØ (pronounced "cypher - o") for the administrative, managerial and academic activities of your institute.

CypherØ is a state-of-the art Online/Offline Software Service that has been designed keeping in mind the needs of educational institutes. From individual Account Handling and Ever-Expanding Reports to Mass Messaging, Fingerprint Attendance System, Cross-Platform Mobile App, and Student Portal, it houses all the essential functions required by a School, Academy, College or University: Attendance, Tests, Exams, and Fee or Salary records; walking on the road of perfection after passing through intense supervision of people working directly in the education sector.

**Your Demo version has already been activated.** The complete detail of CypherØ is available in the package attached with the said letter. For any query or information, feel free to contact us via the provided phone number or e-mail address. Your consideration is much appreciated.

Sincerely,

Muhammad Rashid Cheema
